Popular Product List

Model	Type	Description	Compatible Brand	NOTE
ML6-15-D	1.5D Linear Array	assembly kit based on MUX board exchange	GE	
C1-5-D	Convex	assembly kit without system connector	GE	
C1-5-RS	Convex	assembly kit without system connector	GE	system side cable wiring
C1-6-D	Convex	assembly kit without system connector	GE	
C2-9-D	Convex	assembly kit without system connector	GE	
4C	Convex	assembly kit without system connector	GE	
4C-D	Convex	assembly kit without system connector	GE	
4C-RS	Convex	assembly kit without system connector	GE	
M5Sc-D	Phase Array	assembly kit without system connector	GE	
M5S-D	Phase Array	assembly kit without system connector	GE	
3S-RS	Phase Array	assembly kit without system connector	GE	
3S	Phase Array	assembly kit without system connector	GE	system side cable wiring
3Sc-RS	Phase Array	assembly kit without system connector	GE	
3Sp	Phase Array	assembly kit without system connector	GE	system side cable wiring
3SP-D	Phase Array	assembly kit without system connector	GE	
6S	Phase Array	assembly kit without system connector	GE	
7S-RS	Phase Array	assembly kit without system connector	GE	
12S	Phase Array	assembly kit without system connector	GE	
L3-12-D	Linear Array	assembly kit without system connector. Mux exchange	GE	
L6-12-RS	Linear Array	assembly kit without system connector	GE	
9L-D	Linear Array	assembly kit without system connector	GE	
9L-RS	Linear Array	assembly kit without system connector	GE	system side cable wiring
11L-D	Linear Array	assembly kit without system connector	GE	
11L-RS	Linear Array	assembly kit without system connector	GE	system side cable wiring

12L-D	Linear Array	assembly kit without system connector	GE	
12L-RS	Linear Array	assembly kit without system connector	GE	system side cable wiring
RIC5-9-D	4D Endo	assembly kit without system connector	GE	
IC5-9-D	Transvaginal	assembly kit without system connector	GE	
IC5-9-RS	Transvaginal	assembly kit without system connector	GE	system side cable wiring
E8C	Transvaginal	assembly kit without system connector	GE	system side cable wiring
E8C-RS	Transvaginal	assembly kit without system connector	GE	
E8CS	Transvaginal	assembly kit without system connector	GE	system side cable wiring
E8CS-RS	Transvaginal	assembly kit without system connector	GE	
M4S	Phase Array	assembly kit without system connector	GE	
C9-2	Convex	assembly kit without system connector	PHILIPS	
C5-1 COM	Convex	assembly kit without system connector	PHILIPS	
C5-1 PUC	Convex	assembly kit without system connector	PHILIPS	
C5-2 honda	Convex	assembly kit without system connector	PHILIPS	
C5-2 PUC	Convex	assembly kit without system connector	PHILIPS	
C6-2 COM	Convex	assembly kit without system connector	PHILIPS	
C6-3 PUC	Convex	assembly kit without system connector	PHILIPS	
S12-4 Compact	Phase Array	assembly kit without system connector	PHILIPS	
S4-2 Compact	Phase Array	assembly kit without system connector	PHILIPS	
S5-1 Compact	Phase Array	assembly kit without system connector	PHILIPS	
S5-2 PUC	Phase Array	assembly kit without system connector	PHILIPS	
S8-3 Compact	Phase Array	assembly kit without system connector	PHILIPS	
L12-5 50mm COM	Linear Array	assembly kit without system connector. Mux exchange	PHILIPS	
L12-5 50mm PUC	Linear Array	assembly kit without system connector. Mux exchange	PHILIPS	
L9-3 PUC	Linear Array	assembly kit without system connector	PHILIPS	
L12-3 Compact	Linear Array	assembly kit without system connector	PHILIPS	
L12-3 PUC	Linear Array	assembly kit without system connector	PHILIPS	
L12-4 COM	Linear Array	assembly kit without system connector	PHILIPS	
C10-3V Compact	Transvaginal	assembly kit without system connector	PHILIPS	
C9-4v Compact	Transvaginal	assembly kit without system connector	PHILIPS	
9L4	1.5D Linear Array	assembly kit without system connector	Siemens	system side cable wiring

6C1 HD	Convex	assembly kit without system connector	Siemens	
4C1	Convex	assembly kit without system connector	Siemens	
4P1	Phase Array	assembly kit without system connector	Siemens	system side cable wiring
4V1C	Phase Array	assembly kit without system connector	Siemens	system side cable wiring
CH5-2	Convex	assembly kit without system connector	Siemens	
CH6-2	Convex	assembly kit without system connector	Siemens	
EC9-4 128	Transvaginal	assembly kit without system connector	Siemens	
EC9-4 192	Transvaginal	assembly kit without system connector	Siemens	
MC9-4	Transvaginal	assembly kit without system connector	Siemens	system side cable wiring
P4-2	Phase Array	assembly kit without system connector	Siemens	
P5-1	Phase Array	assembly kit without system connector	Siemens	
PX4-1	Phase Array	assembly kit without system connector	Siemens	
VF10-5 128	Linear Array	assembly kit without system connector	Siemens	
VF10-5 192	Linear Array	assembly kit without system connector	Siemens	
VF12-4	Linear Array	assembly kit without system connector	Siemens	
VF13-5 128	Linear Array	assembly kit without system connector	Siemens	
VF13-5 192	Linear Array	assembly kit without system connector	Siemens	
VF8-3	Linear Array	assembly kit without system connector	Siemens	
PLT-1005BT	Linear Array	assembly kit without system connector	Toshiba	
PLT-1204AT	Linear Array	assembly kit without system connector	Toshiba	
PLT-1204BT	Linear Array	assembly kit without system connector	Toshiba	
PLT-704AT	Linear Array	assembly kit without system connector	Toshiba	
PLT-704SBT	Linear Array	assembly kit without system connector	Toshiba	
PLT-705BT	Linear Array	assembly kit without system connector	Toshiba	
PLT-805AT	Linear Array	assembly kit without system connector	Toshiba	
PLU-704BT	Linear Array	assembly kit without system connector	Toshiba	
PST-25BT	Phase Array	assembly kit without system connector	Toshiba	
PST-30BT	Phase Array	assembly kit without system connector	Toshiba	
PSU-30BT	Phase Array	assembly kit without system connector	Toshiba	
PVM-375AT	Convex	assembly kit without system connector	Toshiba	
PVT-375AT	Convex	assembly kit without system connector	Toshiba	

PVT-375BT	Convex	assembly kit without system connector	Toshiba	
PVT-661VT	Transvaginal	assembly kit without system connector	Toshiba	
PVT-781VT	Transvaginal	assembly kit without system connector	Toshiba	
PVT-781VTE	Transvaginal	assembly kit without system connector	Toshiba	
PVU-375BT	Convex	assembly kit without system connector	Toshiba	
C60X	Convex	assembly kit without system connector	Sonosite	
HFL38x/3-6	Linear Array	assembly kit without system connector	Sonosite	
L25E	Linear Array	assembly kit without system connector	Sonosite	
L25X	Linear Array	assembly kit without system connector	Sonosite	
SC1-6	Convex	assembly kit without system connector	Supersonic	
SL15-4	Linear Array	assembly kit without system connector	Supersonic	
UST-5298	Phase Array	assembly kit without system connector	ALOKA	
UST-5299	Phase Array	assembly kit without system connector	ALOKA	
UST-5410H	Linear Array	assembly kit without system connector	ALOKA	
UST-5412	Linear Array	assembly kit without system connector	ALOKA	
UST-9123	Convex	assembly kit without system connector	ALOKA	
UST-9130	Convex	assembly kit without system connector	ALOKA	
CA541	Convex	assembly kit without system connector	Esaote	
CA631	Convex	assembly kit without system connector	Esaote	
LA523	Linear Array	assembly kit without system connector	Esaote	
PA230	Phase array	assembly kit without system connector	Esaote	
PA230E	Phase array	assembly kit without system connector	Esaote	
PA240	Phase Array	assembly kit without system connector	Esaote	
EUP-C715	Convex	assembly kit without system connector	Hitachi	
EUP-S70	Phase Array	assembly kit without system connector	Hitachi	
L74M	Linear Array	assembly kit without system connector	Hitachi	
S30	Phase Array	assembly kit without system connector	Hitachi	
S50	Phase Array	assembly kit without system connector	Hitachi	
S50A	Phase Array	assembly kit without system connector	Hitachi	
C5-2	Convex	assembly kit without system connector	KONICA	
L18-4	Linear Array	assembly kit without system connector	KONICA	

CA1-7A	Convex	assembly kit without system connector	Samsung	
CA1-7AD	Convex	assembly kit without system connector	Samsung	
CS1-4	Convex	assembly kit without system connector	Samsung	
HFL50x	Linear Array	assembly kit without system connector	Sonosite	
eL18-4	Linear Array	assembly kit without system connector. Mux exchange	PHILIPS	
L3-12A	Linear Array	assembly kit without system connector	Samsung
